**Community Relations Commission Accepting Nominations for
2022 Community Recognition Awards Program**

OXNARD, Calif. – The City’s Community Relations Commission (CRC) announces that nominations are now being accepted for the 2022 Community Recognition Awards Program. Since 1989 the CRC awards program has recognized deserving individuals and groups that have furthered human relations in the Oxnard community.

“We look forward to celebrating the individuals and organizations that represent the best of Oxnard – acceptance, courage, and a determination to highlight the good in our community,” said CRC Chair Adam Lopez.

The public is invited to nominate youth, seniors, individuals, businesses and non-profit organizations that have demonstrated outstanding accomplishments in the Oxnard community.

The deadline to submit nominations is Friday, September 9, 2022 by 5 p.m.

Nomination forms can be downloaded from the City’s website at www.oxnard.org/community-recognition-awards, or may be obtained in person at the City Manager’s Office, located at 300 West Third Street, 4th Floor. Completed forms may be submitted by mail, via email at martha.guillen@oxnard.org, or by fax at (805) 385-7434.

Any youth, senior, individual, business or non-profit organization that works or performs community service in Oxnard can be submitted for consideration for the award in each of these five categories. The selection committee will review all applications and choose a winner in each category based on its selection criteria (see application form for more details).

The winners will be honored during a special ceremony at an Oxnard City Council meeting in November.

The CRC is a citizen advisory group for the City of Oxnard that promotes mutual understanding and respect among all minority and non-minority groups, and it facilitates inter-group harmony through educational and cultural activities.
