

How to apply for a Transportation / Wide Load Permit

Please send your [transportation / wide load permit application](mailto:encroachmentpermits@Oxnard.org) to encroachmentpermits@Oxnard.org.

Approved truck routes must be used to the furthest extent possible. The application and a map of our truck routes is included with this guide.

A staff member will respond by sending a permit number with instructions on paying for the permit. Once your payment is processed, and you return proof of payment, a technician will send your permit via email.

Requests with dimensions that exceed 24 feet in width or 16 feet 6 inches in height require review and approval by the Traffic Division. Please plan for additional processing time if Traffic is required to review your request.

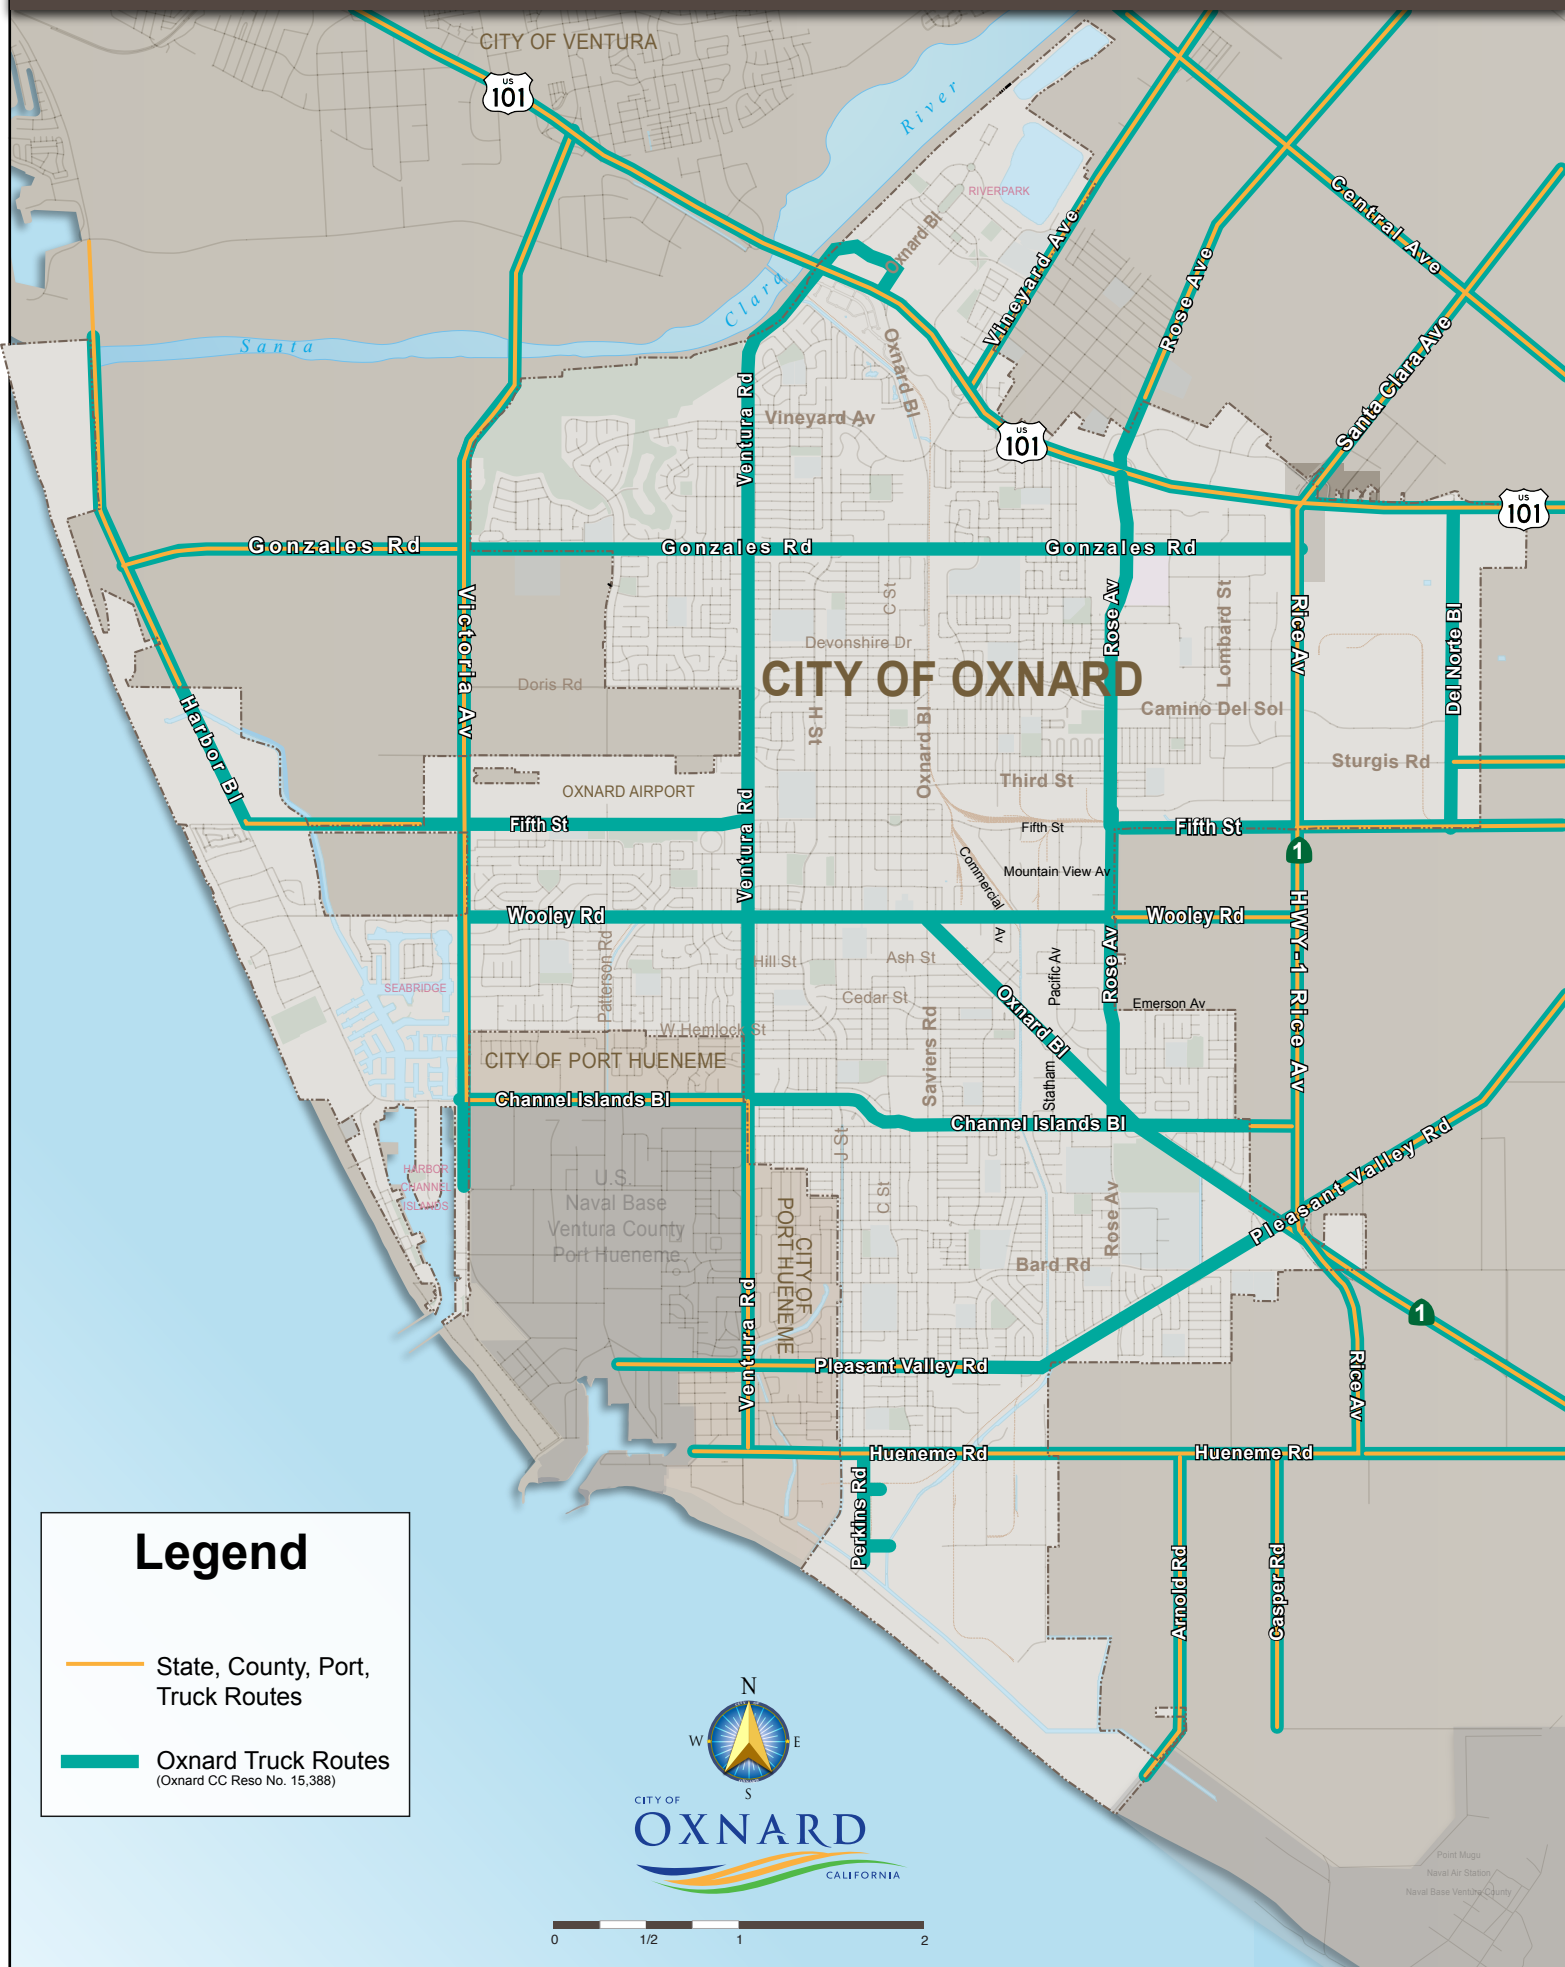

Single trips cost \$15.75. Annuals are \$78.75. Annuals are restricted to the following parameters:

- Legal weight
- Length shall be 60' or less
- Width is 12' or less
- Height is 15' or less

Applications may also be submitted in person at 214 S C St. during open counter hours. Please call (805) 385-7925 for current counter hours.
