

What's Next For Durley Park

Share Your Thoughts!

In December 2021, the City won a **\$7.1 million grant** to invest in restorations to the current Durley Park space, located at 910 Hill Street.

Thanks to the grant funding, the City is looking to add amenities such as a new bike pump track/skate park, a walking and jogging track, exercise equipment, a new basketball court, renovations to four baseball fields, and more.

Community Meeting

In conjunction with the City's design Consultant, IDS Group, we are hosting a community meeting for the Oxnard community to provide feedback on:

- Details of the potential amenities at Durley Park
- Park use and activities, and
- Other park design elements & details

Durley Park Improvement Project

**Friday,
June 14, 2024
6:00 PM - 8:00 PM**

Durley Park Youth Center Building

850 Hill Street
Oxnard, CA 93033
